

Spring Fever:

Page 5:

....."We use fabric 9, the striped fabric for the spine of the leaf. Cut 3 strips of 1¼" by approximately 44".
Cut from the first two

strips 3 pieces and from the third strip two pieces of 1¼" x 13".....

It has to be:

....."We use fabric 9, the striped fabric for the spine of the leaf. **Cut 4 strips of 1¼" by approximately 44"**.
Cut from each of the four strips 2 pieces of 1¼" x 17".....

The total amount of fabric 9 is OK. I always incorporate some extra fabric in my final measurements.

Fabric 9, the striped fabric (BC 28) in Spring fever is one of my basic fabrics and available at Windham Fabrics
